**Features:**

**SAVE TIME IN THE KITCHEN:** Slice olives, cherry tomatoes, grapes, small onions, and other small fruits and vegetables with a single pass, while the Rapid Slicer holds them in place. Excellent for cutting fruit for kids/baby food, and making salads!

**VERSATILE:** It's not just good for produce! Perfect for slicing CHICKEN breasts into thin, even cutlets and SHRIMP into bite size pieces for tacos or pasta dishes

**EASY:** Easily adjusts to the size of items being sliced allowing larger tomatoes, grapes and other small produce. Unlike most slicers which are just for ONE type of food like tomatoes, this device is meant for a variety of foods!

**SAFE:** Non-slip feet keep it stationary while you cut. Top lid and handle grips the food items in place while keeping hands safely away from the cutting knife. Great aid for those with arthritis, and anyone who needs a little extra control.

**Description:**

Rapid Slicer is designed for slicing a large quantity of small fruits and vegetables such as cherry tomatoes, grapes and olives in half - quickly and safely.

The unit's large capacity can hold up to 2 cups of cherry tomatoes, grapes or olives at once. Easily adjusts to the size of items being sliced allowing larger tomatoes, grapes and other small produce.

Another great use is slicing meats, such as chicken breasts or salmon filets into thin, even cutlets! It's also the perfect aid to assist people with arthritis or poor hand strength.

## Product Description

## Features:

**SAVE TIME IN THE KITCHEN:** Slice olives, cherry tomatoes, grapes, small onions, and other small fruits and vegetables with a single pass, while the Rapid Slicer holds them in place. Excellent for cutting fruit for kids/baby food, and making salads!

**VERSATILE:** It's not just good for produce! Perfect for slicing CHICKEN breasts into thin, even cutlets and SHRIMP into bite size pieces for tacos or pasta dishes

**EASY:** Easily adjusts to the size of items being sliced allowing larger tomatoes, grapes and other small produce. Unlike most slicers which are just for ONE type of food like tomatoes, this device is meant for a variety of foods!

**SAFE:** Non-slip feet keep it stationary while you cut. Top lid and handle grips the food items in place while keeping hands safely away from the cutting knife. Great aid for those with arthritis, and anyone who needs a little extra control.

## Description:

Rapid Slicer is designed for slicing a large quantity of small fruits and vegetables such as cherry tomatoes, grapes and olives in half - quickly and safely.

The unit's large capacity can hold up to 2 cups of cherry tomatoes, grapes or olives at once. Easily adjusts to the size of items being sliced allowing larger tomatoes, grapes and other small produce.

Another great use is slicing meats, such as chicken breasts or salmon filets into thin, even cutlets! It's also the perfect aid to assist people with arthritis or poor hand strength.

## Specification:

Material: Plastic

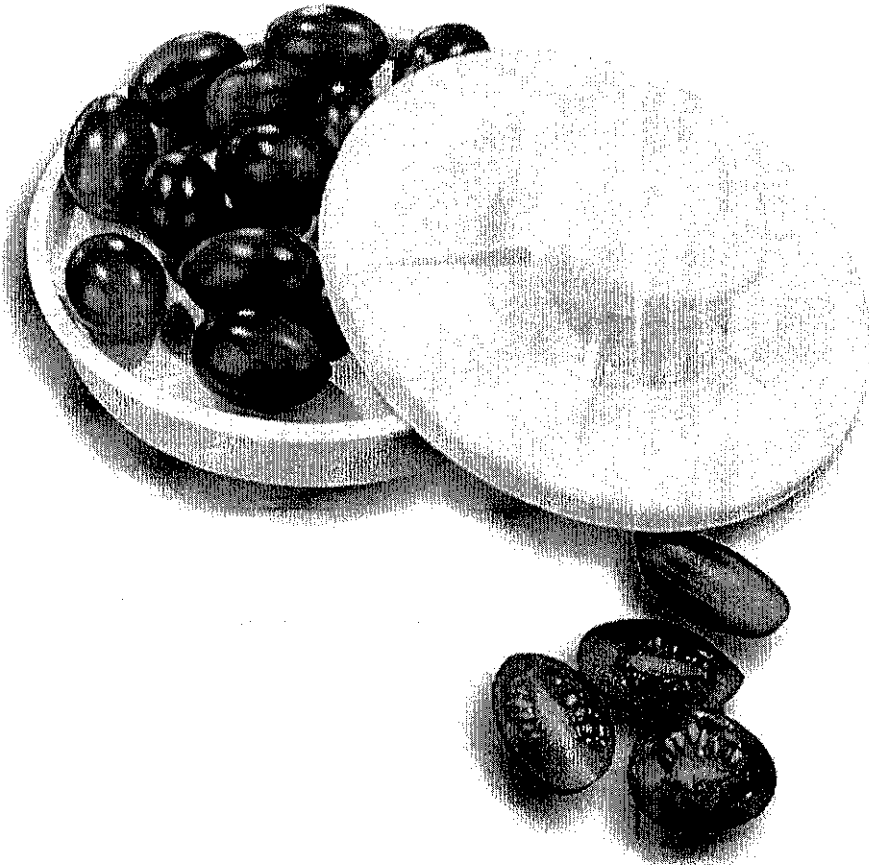

Color: White

#### Features:

**SAVE TIME IN THE KITCHEN:** Slice olives, cherry tomatoes, grapes, small onions, and other small fruits and vegetables with a single pass, while the Rapid Slicer holds them in place. Excellent for cutting fruit for kids/baby food, and making salads!

**VERSATILE:** It's not just good for produce! Perfect for slicing CHICKEN breasts into thin, even cutlets and SHRIMP into bite size pieces for tacos or pasta dishes

**EASY:** Easily adjusts to the size of items being sliced allowing larger tomatoes, grapes and other small produce. Unlike most slicers which are just for ONE type of food like tomatoes, this device is meant for a variety of foods!
