The egg stripper is made of food grade stainless steel, non-toxic, BPA free. Don't worry, it's quite durable.

Removing shell from hard boiled eggs is a pain. It's an intelligent choice for you.

Sold by Amazon

- **DURABLE:** With the ingenuity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family.
- **EASY TO USE:** Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.
- **PORTABLE:** Compact and lightweight. It's quite portable to take. And the smooth surface make it easy to clean.

Prime.

Food grade material, it is sturdy, it's quite safe to use. Hard-boiled eggs should be a no-brainer for you to save time. Commercial egg peeler, our egg peeler is made of high-quality food grade plastic. It's a kind of fun for

- Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.
- Compact and lightweight. It's quite portable to take. And the smooth surface make it easy to clean.

eler is made from food grade this egg peeler at ease.

any technology, and it's very fast, only a few times, use our egg peeler, you can eat a shelled, nutritious egg.

- Easy To Carry: This egg peeler is small and light, it is convenient to take, it feels very comfortable. Moreover it is quite easy to clean.
- Easy Use: Only add 1/4 cup of water to the egg peeler. Add your hard-boiled egg, snap on the top cap and shake it until finished.
- Shake the peeler up and down with enough force so that the egg strikes the caps. Shake until you feel the shell begin to "soften" - approximately 4 to 12 times. Remember to take it a little easy, or you will end up with a slushy mess complete with shells.

the cap, shake a few times, then slide off the egg shell.

- TIME-SAVER: Removing shell from hard boiled eggs should be a no-brainer. It's an intelligent choice for you to save time.
- If the egg is a reluctant sheller you may have to break the membrane after shaking to get the shell to release. This can happen with extremely fresh eggs, and is not the norm.

ity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family.

- **EASY TO USE:** Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.
- **PORTABLE:** Compact and lightweight. It's quite portable to take. And the smooth surface make it easy to clean.

Product description

Color:Red

Product description:

when you get up ,you have desire to eat a nutritious egg, but The eggshell is a very troublesome thing. now ,our egg peeler is coming ,you can take out a durable and your favorite color egg peeler, after few times ,a shelled egg is in front of you. Feature:

1. it is easy to carry ,you can take this egg peeler in everywhere.
2. this egg peeler has unique food grade material , it is non-toxic and BPA free.
3. easy to use, fast to get a shelled nutrition egg, fun for the experience of using this egg peeler.
4. it is a very nice kitchen tool, perfect for your breakfast food .

Specification :

Material: plastic

Color: black ,white ,yellow ,red

Egg peeler volume:254ml

Egg peeler size: L 3.94inches *W 2.75 inches

Egg peeler weight:65g/0.14pound

Package Included:

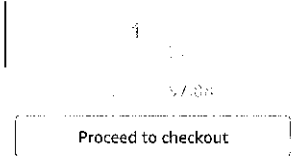

1* Egg Peeler

Methods used:

- 1.Simple to use
- 2.Add a little water and your boiled egg
- 3.Snap on the cap
- 4.Shake a few times

"Great for washing pots & pans. Dry quickly."

By Patricia M. on March 31, 2019.

"Okay to use for basic cleaning, cups, knives and bowls. Not for heavy cleaning like pots and pans.."

By La'Voncy on March 13, 2019.

"Works great on my switch to play smash ultimate"

By Quinten M. on February 1, 2019.

"The fit is true to size. Haven't used the gloves yet to comment on its function"

By N West on January 25, 2019.

"I use the gloves for washing dishes. I would like the scrubber to be a little more stiff to really be able to "scrub" a pot or pan - or even a differen..."
