

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

AIRIGAN SOLUTIONS, LLC,

Plaintiff,

v.

ABAGAIL, *et al.*,

Defendants.

Civil Action No. 19-cv-503

(Judge Fischer)

FILED UNDER SEAL

**DECLARATION OF AMY CLINE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* MOTION TO
AMEND TEMPORARY RESTRAINING ORDER**

I, Amy Cline, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiff's *Ex Parte* Motion to Amend Temporary Restraining Order ("Motion"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. Prior to filing this Declaration, I accessed through Amazon.com, the Merchant Storefronts operating under the seller identities as identified on **Amended Schedule "A"** hereto (the "Seller IDs") and which were not identified on **Schedule "A"** attached to the previous Declaration ("the newly added Defendants"). Upon accessing each of the Merchant Storefronts¹,

¹ As defined in Plaintiff's *Ex Parte* Application filed May 2, 2019, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Counterfeit Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

I was able to view products using Airigan Solutions LLC's trademarks or infringing on their patent claims, add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. I specified a shipping address located in Pennsylvania ("the Pennsylvania Address") and verified that each Defendant provides shipping to the Pennsylvania Address. For certain of the newly added Defendants, I then placed an order via each Merchant Storefront operating under the Seller IDs for the purchase of various products – all using counterfeits and infringements of at least one of Airigan Solution's trademarks at issue in this action, and requested each product to be shipped to my firm's address in Sewickley, Pennsylvania. Each of my orders was processed entirely online and following the submission of my orders, I finalized payment for each of the various products. At the conclusion of the process, I captured and downloaded the detailed web page screen shots reflecting each product I ordered, together verification of shipping to the Pennsylvania Address. These were sent to Margaret Tyler, President and CEO of Airigan Solutions LLC. True and correct copies of the web pages I captured and downloaded showing the various products I purchased or verified via newly added Defendants' Seller IDs, together with redacted copies of the order summary web pages, and order and shipping confirmation are attached hereto as **Composite Exhibit 2**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed the 28th day of May, 2019, at Sewickley, Pennsylvania.

/s/ Amy Cline

Our egg stripper is made of food grade material, it is non-toxic, BPA free. Don't worry, it's quite safe to use. Removing shell from hard boiled eggs should be a no-brainer. It's an intelligent choice for you to save time. With the ingenuity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family. Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.

Egg Peeler, Durable Hard Boiled Egg Peeler Shaker, Convenient Egg Stripper Black (Black), 1 Pack

by MYUOOT

Be the first to review this item

Note: This item is only available from third-party sellers (see all offers).

Available from these sellers.

MATERIAL: Our egg peeler is made of food grade material, it is non-toxic, BPA free. Don't worry, it's quite safe to use.

TIME-SAVER: Removing shell from hard boiled eggs should be a no-brainer. It's an intelligent choice for you to save time.

DURABLE: With the ingenuity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family.

EASY TO USE: Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.

PORTABLE: Compact and lightweight. It's quite portable to take. And the smooth surface make it easy to clean.

approximately 4 to 12 times. Timing will vary. The body is clear so you can watch the progress. When you see the white of the egg appear, you're done. Mission Accomplished. The egg will then slip out of its shell. If the egg is a reluctant sheller you may have to break the membrane after shaking to get the shell to release. This can happen with extremely fresh eggs, and is not the norm.

boiled eggs should be a no-brainer. It's an intelligent choice for you to save time. With the ingenuity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family. Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell. Compact and lightweight. It's quite portable to take. And the

Our egg stripper is made of food grade material, it is non-toxic, BPA free. Don't worry, it's quite safe to use.

Removing shell from hard boiled eggs should be a no-brainer. It's an intelligent choice for you to save time.

With the ingenuity of a commercial egg peeler, our egg stripper is durable and made of high-quality food grade material with long-lasting elasticity. It's a kind of fun for the whole family. Put your boiled egg inside, add 1/4 cup of water, snap on the cap, shake a few times, then slide off the egg shell.

Product description

Color:J

Compact and sturdy, the NEGG makes the once tedious task of peeling boiled eggs ingeniously simple, Fast and fun! Add a little water and your boiled egg to the xtozon. SNAP on the cap. SHAKE it a few times. Remove the shelled egg. It takes Order today and join our growing family of xtozon Heads.
