~~PROPOSED~~ FINAL DEFAULT JUDGMENT AND PERMANENT INJUNCTION

This matter comes before the Court upon Motion by Plaintiff, Airigan Solutions, LLC (“Plaintiff”) for entry of a default judgment against: the Defendants set forth in Attachment “A” (hereinafter collectively referred to as “Defendants” or individually as “Defendant”),¹ for Defendants’ trademark counterfeiting and infringement, false designation of origin, passing off, unfair competition, patent infringement and related state and common law claims arising out of Defendants’ infringing use of Plaintiff’s NEGG Marks, in their manufacturing,

¹ Defendants are sophisticated sellers, each operating one or more commercial businesses using their respective user accounts. Defendants were and/or are systematically directing and/or targeting their business activities at consumers in the U.S., including Pennsylvania, through accounts with online marketplace platforms such as Amazon.com, as well as any and all as yet undiscovered accounts with additional online marketplace platforms held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them (“User Accounts”). Through these User Accounts, Defendants, their respective officers, employees, agents, servants and all persons in active concert of participation with any of them, operate storefronts to manufacture, import, export, advertise, market, promote, distribute, offer for sale and/or otherwise deal in products, including the Counterfeit Products (as defined *infra*), which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them (“Merchant Storefront(s)").

importing, exporting, advertising, marketing, promoting, distributing, displaying offering for sale and/or selling offering for sale and/or sale of Counterfeit Products.²

I. Defendants' Liability

Judgment is granted in favor of Plaintiff on all claims asserted against Defendants in the Complaint;

II. Damage Awards

IT IS FURTHER ORDERED that, because it would serve both the compensatory and punitive purposes of the Lanham Act's prohibitions on willful infringement, and because Plaintiff has sufficiently set forth the basis for the statutory damages awards requested in its Motion for Default Judgment, the Court finds that such awards are reasonable and Plaintiff is awarded \$2,000,000.00 in statutory damages against each of the Defendants pursuant to Section 15 U.S.C. § 1117(c) of the Lanham Act, plus post-judgment interest.

² "Counterfeit Products" are substandard products bearing or using Plaintiff's registered trademark (*i.e.*, U.S. Trademark Reg. No. 5,142,630 for the wordmark "NEGG") and/or that use packaging that bears and/or is used in connection with marks and/or trade dress (hereinafter referred to as the "NEGG Marks) that is confusing or substantially similar to Plaintiff's authentic products sold using the NEGG Marks and/or that infringe at least Claim 1 of Plaintiff's U.S. Patent No. 9,968,211 entitled "PERSONAL EGG PEELER" (hereinafter referred to as "the '211 patent")
