**DECLARATION OF AMY CLINE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Amy Cline, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. Prior to filing this Declaration, I accessed through Amazon.com, the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule "A"** hereto (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, I was able to view Defendants'

¹ As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the BRISTLY Trade Dress, BRISTLY Mark³, and/or BRISTLY Works⁴ without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's BRISTLY Trade Dress, BRISTLY Mark, and/or BRISTLY Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. I inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's BRISTLY Products. These were sent to Peter Dertsakyan, President and CEO of Doggie Dental, Inc. True and correct copies of the detailed web listings I captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed knock-off versions of the BRISTLYTM dog toothbrush (the "Infringing Product") which closely mimic the appearance of Plaintiffs' product and infringe upon Plaintiffs' common law trade dress rights.

³ As set forth in the Complaint, Plaintiffs developed and now sell a unique and revolutionary product under the common law trademark BRISTLY ("Bristly Mark") that safely and easily permits dogs to brush their own teeth removing plaque and tarter ("BRISTLYTM Product").

⁴ As set forth in the Complaint, U.S. copyright registration VA 2-122-455 is directed to various photographs related to the BRISTLYTM dog toothbrush (the "Bristly Works").

the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 8th day of October, 2019, at Sewickley, Pennsylvania.

100% Natural Rubber: Our GADINO Dog Toothbrush is safe for your dog thanks to the non-toxic natural rubber which will not be damaged easily by your dog. Soft texture is designed to avoid hurting your dogs, while also help them clean their teeth deeply.

- **360 Degree Cleaning:** The Dog Toothbrush is covered with bristles on all sides. Rigid bristles help to grind away plaque and loosen tartar in hiding places. Putting toothpaste along the bristle lined grooves helps clean the dog's teeth deeply.
- **Sweet Smell:** The Dog Toothbrush Stick is infused with fresh mint scent which is loved by dogs. Therefore, do not be worry that your dogs will get tired of this brush. They will enjoy chewing the brush instead.
- **Easy to Clean:** Cleaning this Dog Toothbrush is extremely easy and simple. It can be washed directly with water and soap, or in a dishwasher. To prevent bacterial growth, this brush should be cleaned before and after using time.
- **Money-back Warranty:** We try our best to bring the best satisfied experience to our customers. If you are unhappy with your purchase, please contact us. We are willing to give you a full refund.

To Use: The KORIER Dog Chew Toothbrush is made of 100% natural rubber, which is totally safe for your dog. This dog toothbrush toy is also shaped like a real bone, with a light-azure color that will surely catch your dog's attention.

- Irresistible Scent: This pet toothbrush is infused with a fresh and long-lasting mint aroma, enticing your dog and making his/her mouth watered right from the moment you open the package. Be careful though, because your dog might just decide to chew it all day without getting bored.
- Full-Mouth Dental Cleaning: Bristles are covered on all sides of this dog toothbrush stick, making it almost impossible to miss any germs inside your dog's mouth. Rigid bristles also help grind away plaque and loosen tartar in hiding places. When used with toothpaste, this dog chew toothbrush can be quite powerful, compared to other methods.
- Highly Versatile: Not only can it be used as an effective toothbrush, but it's also a fascinating toy that your dogs just can't take their eyes off of. Make sure to clean the toothbrush and put them away after each use, to help preserve the scent longer.
- Satisfaction Guarantee: If you are not satisfied with the quality of this product, we are willing to offer you a full refund. If you encounter any problem with this dog dental chew toy, please do not hesitate to contact us immediately. Your satisfaction is our goal.

There is a paw base that will make your baby dog hold well and absolutely loves chewing on this toothbrush.
- **Fresh Breath** The dog's toothbrush is made of natural rubber. The interior of bristly brush stick infused with a fresh lite mint scent, which attract your dog to chew his new toy. He/she will love this thing. Plays with it all day long. It's not only fun for him, but also get his teeth cleaned. It's a win win for him and for us as we hate cleaning his teeth.
- **Easy to Clean** We suggest to clean it before and after dogs chew it. You can clean rubber material with the inside small cleaning brushing stick or clean it in dishwasher.
- **100% money back guarantee** If you have any question or if you don't satisfied with the use experience, please contact us without hesitation, we try our best to serve for you.

**DECLARATION OF AMY CLINE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Amy Cline, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. Prior to filing this Declaration, I accessed through Amazon.com, the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule "A"** hereto (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, I was able to view Defendants'

¹ As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the BRISTLY Trade Dress, BRISTLY Mark³, and/or BRISTLY Works⁴ without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's BRISTLY Trade Dress, BRISTLY Mark, and/or BRISTLY Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. I inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's BRISTLY Products. These were sent to Peter Dertsakyan, President and CEO of Doggie Dental, Inc. True and correct copies of the detailed web listings I captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed knock-off versions of the BRISTLYTM dog toothbrush (the "Infringing Product") which closely mimic the appearance of Plaintiffs' product and infringe upon Plaintiffs' common law trade dress rights.

³ As set forth in the Complaint, Plaintiffs developed and now sell a unique and revolutionary product under the common law trademark BRISTLY ("Bristly Mark") that safely and easily permits dogs to brush their own teeth removing plaque and tarter ("BRISTLYTM Product").

⁴ As set forth in the Complaint, U.S. copyright registration VA 2-122-455 is directed to various photographs related to the BRISTLYTM dog toothbrush (the "Bristly Works").

the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 8th day of October, 2019, at Sewickley, Pennsylvania.
