Defendants.

CLERK U.S. DISTRICT COURT
WEST. DIST. OF PENNSYLVANIA

Civil Action No. 19-1283

FILED UNDER SEAL

**DECLARATION OF MARY LAPLANTE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Mary Laplante, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. Prior to filing this Declaration, I accessed through eBay.com, the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule "A"** hereto (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, I was able to view Defendants'

¹ As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the BRISTLY Trade Dress, BRISTLY Mark³, and/or BRISTLY Works⁴ without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's BRISTLY Trade Dress, BRISTLY Mark, and/or BRISTLY Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. I inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's BRISTLY Products. These were sent to Peter Dertsakyan, President and CEO of Doggie Dental, Inc. True and correct copies of the detailed web listings I captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed knock-off versions of the BRISTLYTM dog toothbrush (the "Infringing Product") which closely mimic the appearance of Plaintiffs' product and infringe upon Plaintiffs' common law trade dress rights.

³ As set forth in the Complaint, Plaintiffs developed and now sell a unique and revolutionary product under the federally registered trademark BRISTLY ("Bristly Mark") that safely and easily permits dogs to brush their own teeth removing plaque and tarter ("BRISTLY[®] Product").

⁴ As set forth in the Complaint, U.S. copyright registration VA 2-122-455 is directed to various photographs related to the BRISTLYTM dog toothbrush (the "Bristly Works").

the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 8th day of October, 2019, at Sewickley, Pennsylvania.

Is it really important to brush a dog's teeth?

Some find it unnecessary to clean a dog's teeth, arguing that they don't get bad breath. That is a myth. Plaque and tartar can build up on your pet's teeth, which could cause stinking breath and infection to their internal organs.

Brushing your dog's teeth with the type of toothbrush we humans use can be risky. You have to hold their mouth open to brush effectively. If you are not so keen to put your hand near their mouth, a dental brushing stick will do the trick.

Keep your dog's teeth clean with the First Rate Paws Puppy Dental Care Brushing Stick, and ensure their overall health.

Never have to worry about your dog's dental health again! This toothbrush stick lets your dogs brush their teeth on their own. It is ergonomically designed to allow dogs to hold it down with their bite and chew on it.

The tip has a hole where you can insert toothpaste. As your dog bites and chews on the stick, the toothpaste flows out from small holes along the bristled body, brushing his teeth without your help.

What makes our puppy dental brushing stick stand out?

- ✓ It is infused with a fresh peppermint taste that dogs, and their owners, love
- ✓ Natural rubber material is tough, durable and stays intact through repeated biting and chewing
- ✓ Both body and bristles are soft and flexible enough to get in between tooth gaps and to massage gums gently
- ✓ This brushing stick is dishwasher-safe

Civil Action No. 19-1283

FILED UNDER SEAL

**DECLARATION OF MARY LAPLANTE
IN SUPPORT OF PLAINTIFF'S *EX PARTE* APPLICATION FOR ENTRY OF
TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION**

I, Mary Laplante, declare and state as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts set forth herein. I make this declaration in support of Plaintiffs' *Ex Parte* Application for Entry of Temporary Restraining Order and Preliminary Injunction ("Application"). If called upon to do so, I could and would competently testify to the following facts set forth below.

2. Prior to filing this Declaration, I accessed through eBay.com, the Merchant Storefronts¹ operating under the seller identities as identified on **Schedule "A"** hereto (the "Seller IDs"). Upon accessing each of the Merchant Storefronts, I was able to view Defendants'

¹ As defined in the Application, a "Merchant Storefront" is any and all User Accounts through which Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them operate storefronts to manufacture, import, export, advertise, market, promote, distribute, display, offer for sale, sell and/or otherwise deal in products, including Infringing Products, which are held by or associated with Defendants, their respective officers, employees, agents, servants and all persons in active concert or participation with any of them.

Infringing Products², add products to the online shopping cart, proceed to a point of checkout, and otherwise actively exchange data with each Merchant Storefront. Through visual inspection of Defendants' listings for Infringing Products, it was confirmed that each Defendant is featuring, displaying, and/or using the BRISTLY Trade Dress, BRISTLY Mark³, and/or BRISTLY Works⁴ without authorization and that the products that each Defendant is offering for sale, using virtually identical copies of Plaintiff's BRISTLY Trade Dress, BRISTLY Mark, and/or BRISTLY Works are, in fact, not genuine products. The checkout pages or order forms for the Infringing Products confirm that each Defendant was and/or is still currently offering for sale and/or selling Infringing Products through their respective Merchant Storefronts and User Accounts and that each Defendant provides shipping and/or has actually shipped Infringing products to the United States, including to customers located in Pennsylvania. At checkout, a shipping address located in the Pittsburgh area ("the Pennsylvania Address") in the Western District of Pennsylvania verified that each Defendant provides shipping to the Pennsylvania Address. I inspected the detailed web listings describing the Infringing Products Defendants are offering for sale through the Internet based e-commerce stores operating under each of their respective Seller IDs, and determined the products were not genuine versions of Plaintiff's BRISTLY Products. These were sent to Peter Dertsakyan, President and CEO of Doggie Dental, Inc. True and correct copies of the detailed web listings I captured and downloaded showing the various Infringing Products listed via Defendant's Seller IDs, together with redacted copies of

² As set forth in the Complaint, Defendants have offered for sale, sold, and distributed knock-off versions of the BRISTLYTM dog toothbrush (the "Infringing Product") which closely mimic the appearance of Plaintiffs' product and infringe upon Plaintiffs' common law trade dress rights.

³ As set forth in the Complaint, Plaintiffs developed and now sell a unique and revolutionary product under the federally registered trademark BRISTLY ("Bristly Mark") that safely and easily permits dogs to brush their own teeth removing plaque and tarter ("BRISTLY[®] Product").

⁴ As set forth in the Complaint, U.S. copyright registration VA 2-122-455 is directed to various photographs related to the BRISTLYTM dog toothbrush (the "Bristly Works").

the order summary web pages and confirmation that Defendants were willing and able to ship to the Pennsylvania Address are attached hereto as **Composite Exhibit 1**.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed the 8th day of October, 2019, at Sewickley, Pennsylvania.
